The proposed rate increase is necessary to cover rising costs of operations, maintenance, and required upgrades to the sewer system infrastructure to meet environmental and regulatory standards.

Pursuant to Indiana Code 8-1.5-3-8.1(c), the following statement is included: The Indiana Utility Regulatory Commission (IURC) does not regulate rates and charges for the services provided by this utility. The rates and charges are determined by the governing body of the municipality, following the procedures set forth in Indiana Code 36-9-23-26. Following adoption of the rate ordinance, the users described in Indiana Code 8-1.5-3-8.1(c)(3) may be entitled to petition the IURC Indiana Code 8-1.5-3-8.3 to review and adjust the rates and charges imposed on the users if a petition under Indiana Code 8-1.5-3-8.1 or under IC 36-9-23-26.1 with respect to the same rate ordinance has not been filed.

Copies of the proposed ordinance regarding the new rates are available for public inspection at the Clerk-Treasurer's Office during regular business hours or online at the City's website. For additional information regarding the proposed rate increase or the public hearing, please contact the Clerk-Treasurer at (812) 752-4343. We appreciate your attention to this important matter and look forward to your participation.

Sincerely,

Terry Amick  
Mayor, City of Scottsburg
